WELCOME

Grace and peace to you. This was the Apostle Paul's traditional greeting to the churches in God's Kingdom community—God's family of grace and peace. Family relationships are important to God and they're important to us too! We hope and pray that you find grace and peace and family here in our Kingdom community. Please take some time to check out our programs, church school, or a sermon or two. We hope you'll come back frequently, and we pray that God will richly bless you as you seek to know Him and grow in grace.

OFFERING THIS WEEK is for the Local Church Budget.

“Tax Day” is April 15 for U.S. citizens, while it’s April 30 in Canada, but when do you actually pay your taxes? Some do it ASAP, while others wait until the last minute, and still others file for extensions. Did you know that some people make quarterly payments throughout the year rather than a lump sum in April? Bermuda has no Tax Day, but it collects a payroll tax throughout the year.

Do you view giving your tithe to God as a tax—something the government requires of its citizens to fund its services? Does God tax believers so His church has money to operate? Some might view it in this manner.

Today I invite you to view it differently—your voluntary gift to God. We include “offerings” during our worship service because giving to God is an act of worship. Sure, everything comes from God, and He doesn’t *need* our money since He already owns “the cattle on a thousand hills” (Ps. 50:10). But giving enables us to participate in worship—like joining the congregation in singing or praying along silently during the main prayer of the church service.

When you give a birthday gift because you feel obligated, it’s rarely as pleasurable for you or the recipient as when you give a gift because you want to give.

Take that same approach as you give your offering to God. It’s your gift, and you’re giving it to God! Let’s worship!

~Steve Case
